About Me

I'm Ijajuddin Ahmed from Guwahati, Assam. I'm currently pursuing my studies at NIT Silchar and exploring the world of web development. I'm passionate about building and designing websites using HTML, CSS, and JavaScript. I enjoy the creative process of turning ideas into interactive, user-friendly designs.

Beyond coding, I enjoy watching anime , I'm play gamer, and someone who values fitness and staying active. I'm always eager to learn, grow, and take on new challenges in tech and life.
